

TRANSFORMER 300VA WITH TOPPING

FT300

Technical Features

- 300VA Toroidal transformer with topping
- Material: Copper for monitoring power transformer security
- Input voltage: 220 v, 380v
- Output voltage : 6v, 12v, 24v, 36v
- Output current: min4.6A
- Rated Capacity: min300VA
- Warranty: 1 year
